IN MEMORIAM

In loving memory of Malcolm Lee Reynolds who passed away one year ago, August 6th.

Sad memories crowd this time of year
When we lost the one we loved so dear,
Deep in our hearts you will always stay,
Loved and remembered every day.

Memories are treasures no one can steal,
Death has a heartache no one can heal,
Some have forgotten, now that you have gone,
But we shall remember, no matter how long.

So looking back in tenderness
Along the path we trod,
We cherish the years we had with you
And leave the rest to God.
Sadly missed by The Family.

These are some of the "sled pushers" of Appomattox - these future football stars who are practicing each week night from 6 p.m. to 9 p.m. at the Appomattox High School stadium under the direction of head coach Gordon Bragg. Veterans Corner

Veterans NOTE: Below are some answers by the Veterans Administration to some of the many current questions from former servicemen and their families. Further inquiries on veterans benefits may be obtained at any VA office.

Q. I am a disabled veteran of the War II. I dropped my insurance many years ago, but can I apply for G. I. Insurance?

A. No. Disabled veterans of World War II were given the opportunity of applying for insurance from May 1, 1969, to May 2, 1966.

Q. I have just been discharged from the Army after a tour in Viet Nam. While I was there a representative of the Veterans Administration came about our veteran benefits. He mentioned different deadlines for applying for benefits. Can you remember any story about the deadlines for converting my Serviceman's Group Life Insurance policy to receiving G. I. Bill benefits, and obtaining a home loan?

A. You have 120 days after separation from service to convert your SGLI policy. Nearly all commercial insurance companies have been approved by VA to handle converted SGLI policies. The deadline for receiving education and training under the Post-Korean G.I. Bill is eight years after your separation from service. In fact, the deadline for using your home loan entitlement, which you count on 10 years after separation plus one additional year for each three years of service. Thus, if you served in the Army two years, you have 18 years after separation from service in which to use your G.I. Bill home loan entitlement. If you have additional questions about benefits or your veterans benefits, check with your nearest regional office.

Addition Completed At Pineview

BY Mrs. Marie Tyler
Owner and Manager

The Pineview Home for the Aged, Spout Spring, was built in 1965. In 1967 we added on five more bedrooms, a living room, storage room-making us ten bedrooms with two guests to a room. Now, in 1969 we have just had the living room enlarged by an additional ten feet plus a hallway extending an additional ten feet, a half-bath and an outside entrance, small porch and steps with safety banisters for the use of our guests and their friends.

We enjoy working at the Pine View Rest Home (my husband and I and the other members of the staff) because we have found that having a nice home for older men and women brings them happiness in their old age. We can truthfully say that we have hardly any problems that cannot be solved by prayer, hard work, and a lot of love which we are happy to share with our guests.

My brother-in-law, Mr. Andrew Tyler, has been nice enough to give the home a subscription to the "Philadelphia Inquirer" newspaper. We thank him so very much, and all concerned seem to enjoy the paper.

All of our guests are very sweet. We like to help them keep clean and neat, with shoes polished, hair brushed - and enough interesting things to read and to see to keep them occupied.

Please feel free to visit us at any time. I will be here to show you around. We have church services every other Tuesday evening, and the Reverend Mr. L. L. Schwenger, pastor of Spout Spring Baptist Church, comes in some time during the week, almost every week, to lead us in songs and hymns and to talk with the men and ladies. All of our church services and hymn sings are enjoyed by all. We love the Lord here and enjoy doing His work. We are seeking the prayers of others who likewise love the Lord and want to help those who need His help.

The staff makes every effort to be nice to everyone. We have four others, plus Ben and myself. If you would like a good old fashioned country dinner, please come in and eat with us.

Mrs. Raymond Parker, the sister of Mrs. Tyler; Mrs. Page and Mrs. Turner were the guests of Pineview Rest Home this past Friday; also, her daughter and husband, Other visitors are always welcome. We invite you to inspect the facilities and meet the very fine men and women we are privileged to serve as patients, guests, and friends.

Wreck Island HD Club

Mrs. V. A. Staten was hostess to the Wreck Island Home Demonstration Club when it met at her home on Wednesday, July 30, at 10:30 a.m. for an all day meeting.

One new member was added to the club, Mrs. Hugh Tanner. There were seven members and two visitors present.

The business meeting was opened by Mrs. V. A. Staten, president, who also led the group in devotions.

Mrs. V. A. Staten gave interesting information on places to visit in the Shenadoah Valley, illustrating with pictures. This was in keeping with all Appomattox Clubs program on historical places in Virginia.

Mrs. Rose Burnett presented a demonstration on "Backyard Picnics and Barbecues".

Members prepared their favorite wrap up meal and placed it over the hot coals.

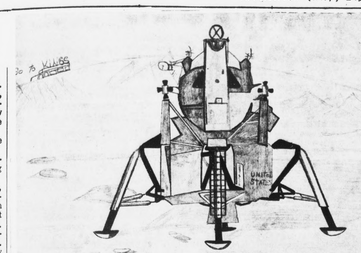
While enjoying this steamy and juicy meal of meats, vegetables and potatoes, Mrs. Tilden Lee surprised Mrs. V. A. Staten with a birthday cake. After this a social hour was enjoyed.

The August meeting will meet on Wednesday, August 27, at 2 p.m. at the home of Mrs. Rose Burnett.

A demonstration on electrical appliances will be given.

Mrs. Tilden Lee, Sec.

King's Market-First On Moon



Just as we always expected - King's Market will be the first retail store on the Moon! Ralph King and King's Market with friendly spirit and energetic drive has managed to "sprout" Kings Markets all through this area. (Lynchburg, Brookneal, Halifax, Altavista, etc.) Now Edward Franklin, 15 year old son of the Clarence Franklins, of Appomattox, has appropriately enough drawn King's Market right on the surface of the moon, (above left) with a moon ship right on target to enable shoppers to fill up their baskets and take the next flight to earth. Clarence Franklin is a meat department manager of King's in Appomattox. He offers customers choice cuts of meat, fresh and frozen meat and fish products. Whether he has available steaks from the "cow that jumped over the moon" isn't known as of Tuesday, but perhaps some shopper reading this will ask him about it!
